**WORLD 2022**  
**CONGRESS**  
JAN 27 TO JAN 29 • PARIS & ONLINE

# Young dermatologists

Esteemed Colleague,

As part of IMCAS Annual World Congress 2022, Jan 27 to 29, we are happy to announce that on Saturday we have designed an entire day dedicated to YOUNG PHYSICIANS.

Among those sessions, 6-hours are dedicated to young interventional dermatologists and will cover the most sought-after topics in the field of dermatology. World-renowned speakers are here to share their knowledge and years of practical experience with lasers and clinical dermatology plus a global session for all Young Physicians on fillers and toxins.

The final session will be the "Young Derm Awards" where Young Dermatologists are encouraged to submit an abstract of their latest clinical cases. These cases will be presented in front of a Jury of experts who will elect the best presentation! It's the perfect opportunity to form essential connections with your peers in the field, and to stand on stage in front of a world-wide audience.

Don't miss this chance to join us! We look forward to welcoming you to IMCAS World Congress 2022.

Dr Michael Benzaquen  
Switzerland  
Coordinator Young Derm

Dr Meelad Habib  
Netherlands  
Coordinator Young Derm
