Young dermatologists

THIS IS DESIGNED EXCLUSIVELY FOR YOU

Esteemed Colleague,

IMCAS is happy to announce a new edition of IMCAS Annual World Congress 2021 (Jan 28 to 30) with sessions dedicated once again to **YOUNG DERMATOLOGISTS** held on Saturday Jan 31.

Five hours of learning sessions are brought to you by best experts in the field relate their knowledge and experience in interventional dermatology to those still completing their residency or who have recently set up their practice. Young dermatologists are also encouraged to submit an abstract to showcase their work before an international jury during the awards session and get the chance to win a prize! The aim this year is to create a truly European and Global network of young residents that may receive the highest quality teaching and expand their network.

Topics will cover lasers, toxins and fillers, surgical and clinical dermatology.

So don't miss this chance to join us and spread the word for **IMCAS Young Dermatologist sessions 2021!**
